I'll remember 2019 like it was yesterday
I raised my left leg before the ball dropped so I could start the New Year off on the right foot.
In 2020, may your neighbors respect you, troubles neglect you, angels protect you,
and heaven accept you.
May all your troubles last as long as your New Year resolutions.

CHRISTMAS HARD CANDY

- 3-1/2 cups sugar
- 1 cup light corn syrup
- 1 cup water
- 1/4 to 1/2 teaspoon cinnamon or peppermint oil
- 1 teaspoon red or green food coloring

Directions · In a large heavy saucepan, combine sugar, corn syrup and water. Cook on medium-high heat until candy thermometer reads 300° (hard-crack stage), stirring occasionally. Remove from the heat; stir in oil and food coloring, keeping face away from mixture as the scent of the oil is very strong. Immediately pour onto an oiled baking sheet. Cool; break into pieces. Store in airtight containers.
