

On New Year's Eve, Bill was in no shape to drive having had a few too many, so he sensibly left his car in the car park and walked home. As he was wobbling along, he was stopped by a cop. "What are you doing out here at four o'clock in the morning?" asked the officer. "I'm on my way to a lecture," answered Bill. "And who in their right mind is going to give a lecture at this time on New Year's Eve?" asked the cop sarcastically. "My wife," slurred Bill grimly.

I'll remember 2019 like it was yesterday

I raised my left leg before the ball dropped so I could start the New Year off on the right foot.

In 2020, may your neighbors respect you, troubles neglect you, angels protect you, and heaven accept you.

May all your troubles last as long as your New Year resolutions.
